## MARCH 2008

**EKW Website** [www.ekw.org](http://www.ekw.org)

### **Message from Chief Instructor**

Thanks to all those who attended the Tanto-Dori Course in February and the Dan Grade Training in March and congratulations to those who passed their Dan Grades.

The tanto course was again successful and will be repeated as a specialist course next year. The tanto work will also feature in the Summer Course, together with ju-jitsu aspects of Wado-Ryu and other "enhancements".

Remember to book your accommodation for Scarborough early and to take advantage of the pre-booking discount on course fees.

The next event in the EKW calendar is the AGM in Billingham next month. I look forward to seeing you all there.

Regards,

Renshi Dave Swalwell
